T3

SPIDER CLIP

THE SPIDER CLIP RETENTION SYSTEM PROVIDES AMAZING CONSISTENCY FOR BLADE DEPLOYMENT COMPARED TO COMPETITORS. THERE ARE NO RUBBER O-RINGS, WHICH BREAK DOWN OVER TIME AND CAUSE UNRELIABLE BLADE DEPLOYMENT. THE SPIDER CLIP ON THE T3 IS NOT AFFECTED BY TEMPERATURE AND DOES NOT BREAK DOWN OVER TIME.

G5OUTDOORS.COM

15 YEARS

G5 Outdoors is proud to announce the celebration of its 15 years in the archery industry. We want to extend a huge thank you from our family to yours for your years of support, which has made everything we do possible. The company began on the Grace family philosophy that reads, "You are only as good as you can measure," and will continue to operate by this standard for generations to come.
